## **Michel Godard COUSINS GERMAINS**

**Wolfgang Puschnig** | sax

**Christof Lauer** | sax

**Herbert Joos** | trumpet

**Franck Tortiller** | vibes

**Wolfgang Reisinger** | drums

**Michel Godard** | tuba

Created for “Banlieues Bleues” festival in Paris, Cousins Germaines brings together some of the most well-known French, German and Austrian Jazz musicians. This project demonstrates the new musical bonds unifying European Jazz. For those seeking state-of-the-art and future expansion of improvised music, this is an outstanding example: beautiful, daring, elegant, intelligent and wild.
