## **Jean-Paul Bourelly** **KISS THE SKY**

**Jean-Paul Bourelly** | guitar, voice

**Daryl Taylor** | bass

**Kenny Martin** | drums

Kiss the Sky is a next generation project using the music of Hendrix as a launch pad into new sonic territory. Jean-Paul Bourelly guitar player and innovative musician born in Chicago, has always strived toward fresh musical experiences in his groups collaborations, recordings and musical experimentations.

"I always felt the guitar was not just a rock & roll instrument but a channel in which I could breath out all my life experiences." Kiss the Sky takes tunes like Purple Haze and Machine gun and works them through a range from acid to ambient. We are constantly coming up with new ways reflect on our own musical directions through re-interpret his. The other members are first class line up of authentic soul players. Kenny Martin is the drummer with Citizen X and with Defunkt. Darryl Taylor is bassist from Houston Texas who work with many greats in soul music including James Brown drummer Jab'o Starks.
